

The New Rapid Test Generation!

Coralene[®]

Midstream pregnancy test for self-administration

Fast and reliable Diagnosis – Immediate Therapy!

In cooperation with german and swiss gynaecologist and fertility institutes we could establish our pregnancy test GRAVI-HCG[®] successfully on the professional market more than 10 years ago. Since that time hospitals, doctors offices and pharmacies are our satisfied clients.

Coralene[®] has been developped with a new technology especially for personal use. The test delivers a **quick result** with **clear reliability** and **easy handling**.

Advantages

- ✓ **High sensitivity: 20 mIU/ml!**
- ✓ **Easy handling!**
- ✓ **Simple, accurate interpretation of results in 2-5 minutes!**
- ✓ **Storage at room temperature, up to 18 months!**
